Sauco 1 is a spacious two-level residence within Reserva Conchal, offering approximately 600 m² (6,458 sq. ft.) of total living space. The home features 5 bedrooms, 5.5 bathrooms, a private office, gym, pantry, laundry room, storage areas, and dedicated service spaces.

The main social areas include a living room, dining area, and chef's kitchen that open onto covered terraces, creating a seamless indoor-outdoor connection. Floor-to-ceiling glass frames the tropical greenery, while natural wood ceilings, warm stone textures, and clean architectural lines create a comfortable and welcoming atmosphere.

Outside, a swimming pool and jacuzzi anchor the terrace, surrounded by lounge and dining areas overlooking the forest canopy. The primary suite offers garden or treetop views and a spa-inspired bathroom, while the additional guest suites and bunk room provide flexible accommodations for family and guests.
