 5 bedrooms

 6 bathrooms

Perched atop the prestigious hillsides of Reserva Conchal, Cocobolo #4 is a remarkable private residence that seamlessly blends contemporary design, refined elegance, and the breathtaking beauty of Costa Rica's Pacific coastline.

Designed to capture uninterrupted ocean view, this exceptional five-bedroom villa offers an unparalleled living experience where sophisticated architecture meets the tranquility of a world-class tropical setting. Expansive indoor and outdoor living spaces invite effortless entertaining, while floor-to-ceiling views create a constant connection to the sea, the sky, and the surrounding natural landscape.

Featuring six luxurious bathrooms, a private plunge pool, jacuzzi, and a fully equipped private gym, the residence has been thoughtfully curated to provide the highest standards of comfort, privacy, and wellness. Every detail has been crafted to complement a lifestyle defined by exclusivity, relaxation, and understated luxury.

More than a home, Cocobolo #4 is a rare opportunity to own an extraordinary ocean-view retreat within one of Costa Rica's most coveted resort communities, where championship golf, pristine beaches, fine dining, and world-class amenities are moments away.

An exceptional residence for those who seek privacy, prestige, and a truly elevated coastal lifestyle.
